

Oil City Derby Girls

“Sell your Gear on our Rear”

- "High exposure advertising space on our Girls Derby Pants"
- High quality, Black Derby Panty with YOUR Company's logo silk-screened on to be worn during our popularly attended bouts.
- Watch the girl and your brand kick butt on the track and in the eyes of our spectators.
- Unique and eye catching way to draw attention to YOUR brand.
- The Panties are worn only during bouts. Each panty is sized to a specific player and they will continue to wear the brand. The panties are kept in optimal condition so as to represent YOUR brand in a quality way.
- Includes one year of exposure during Home and Away bouts. Around 5000+ people exposed to your brand. This number doesn't include any photo opportunities or media coverage of our bouts/butts.

The average size of the silk screened ad on the panty is 30cm wide by 16cm tall. This all depends on the size of your "billboard/rear". The cost of an ad on a Blocker is the same as an ad on a Jammer.

The Player you select to wear your Brands Logo will be provided with 3 custom fit panties so as to maintain the quality appeal of your brand. Not only are you receiving a unique advertising opportunity, your support also gives our girls the chance to participate in a sport they love.

Please call or email Morgue N to select your girl and create a brand that is viewed by the many enthusiastic fans of our sport.
